

Description of ISM 01

Indian menu options:

This induction cooktop has pre-set Indian menu to help you to cook your favorite dish without any qualms

Automatic Voltage Regulator:

It has an automatic voltage regulator that ensures durability. It is based on power-saving technology, to make sure that more food is cooked while using less power. Best of all, it comes at an affordable price. This is an economical and a quicker way to cook

Power Consumption Display

While this unique feature of power consumption display stands out from the rest of the induction stoves, this appliance not just shows you the consumption but also consumes lesser power incorporating the power saver technology. The appliance consumes a maximum of **1200 watts** for an efficient performance

Highlights

- Indian menu options
- Aerodynamic cooling system
- Automatic voltage regulator
- 1200 Watts power
- 1 year warranty
