

Description Of ISM 04

Indian menu options:

This induction cooktop has pre-set Indian menu to help you to cook your favorite dish without any qualms

Radio frequency remote control

It has radio frequency remote to control its functions.

Anti-Skid Steel Ring

The anti-skid steel ring this appliance is built with ensures it stays in place and does not slide or slip when in use.

Automatic Voltage Regulator

Integrated with an automatic voltage regulator, this appliance can withstand power surges from the power line that could damage the induction stove

Power Consumption Display

While this unique feature of power consumption display stands out from the rest of the induction stoves, this appliance not just shows you the consumption but also consumes lesser power incorporating the power saver technology. The appliance consumes a maximum of **2000 watts** for an efficient performance

Highlights

- Radio frequency remote control
- Indian menu options
- Anti-skid steel ring
- Automatic voltage regulator
- Power consumption display
- Dual heat sensor
- 2000 Watts power

Specifications:

General
