

Description of ISM 13

Indian menu options:

This induction cooktop has pre-set Indian menu to help you to cook your favourite dish without any qualms

Automatic Voltage Regulator

Integrated with an automatic voltage regulator, this appliance can withstand power surges from the power line that could damage the induction stove

Power Consumption Display

While this unique feature of power consumption display stands out from the rest of the induction stoves, this appliance not just shows you the consumption but also consumes lesser power incorporating the power saver technology. The appliance consumes a maximum of **1900 watts** for an efficient performance

Highlights

- Stainless steel body
- Indian menu options
- Concealed/Feather touch buttons
- Automatic voltage regulator
- 1900 Watts power
- 1 year warranty
