

Description of ISM 14

Indian menu options:

This induction cooktop has pre-set Indian menu to help you to cook your favourite dish without any qualms

Dual heat sensor

The dual heat sensors prevent overheating by sensing the cookwareu0027s temperature

Elegant Design

Built in a sleek and elegant design, this appliance not just looks stylish but also functions as good as it looks.

Power Consumption Display

While this unique feature of power consumption display stands out from the rest of the induction stoves, this appliance not just shows you the consumption but also consumes lesser power incorporating the power saver technology. The appliance consumes a maximum of **2000 watts** for an efficient performance.
