

Description of ISM 20

Indian menu options:

This induction cooktop has pre-set Indian menu to help you to cook your favorite dish without any qualms

Automatic Voltage Regulator

Integrated with an automatic voltage regulator, this appliance can withstand power surges from the power line that could damage the induction stove.

Anti-Magnetic Wall

Designed to keep you safe from magnetic radiation, this induction stove has been manufactured with an anti-magnetic wall that provides a safe environment.

Power Consumption Display

While this unique feature of power consumption display stands out from the rest of the induction stoves, this appliance not just shows you the consumption but also consumes lesser power incorporating the power saver technology. The appliance consumes a maximum of **1600 watts** for an efficient performance.

Highlights

- Indian menu options
- Concealed/feather touch option
- Automatic voltage regulator
- Anti-magnetic wall
- 1600 watts power
- 1 year warranty
