Features & Functions:

Super Sharp Blades

Prestige mixer grinder is equipped with 5 stainless steel multi-purpose blades that assist in dry and wet grinding and mixing all nutritious components together. With the availability of 3-speed settings, you can grind soft and hard fruits and vegetables accordingly. Also, such sharp blades need to be washed with care after use.

Rust-Proof Plastic Body

The Prestige mixer grinder adds a touch of style to your kitchen with its well-designed plastic body that has optimum grace with special features. Its material is rust-free and so will not get corroded easily, ensuring its longevity and grace for a long time. The switch buttons and light indicator available on its outer core help you deal effectively with its functions.

Powerful Universal Motor AC supply:

The powerful 750W universal motor which operates with the AC supply of 220-240V, reduces the hysteresis in the motor core resulting in less temperature rise, thereby increasing the life of the motor
