Features & Functions:

Design and Make

This utilitarian **Hero Mixer Grinder** has a modern and fashionable design with an aesthetic sense of color and is a great addition as a kitchen essential. It has innovative features like LED indication, hands free water drain outlet which allows easy and great usability of the product. It is very sturdy and sits perfectly on the kitchen counter. The outer material is made from plastic and the rust free inside ensures durability. It is white and red in color and looks very classy as it complements other kitchen essentials. It weighs 3.8 KG and is sufficiently light for a mixer grinder of this caliber. It also comes with anti-skid feet.

Powerful Universal Motor AC supply:

The powerful 550W universal motor which operates with the AC supply of 220-240V, reduces the hysteresis in the motor core resulting in less temperature rise, thereby increasing the life of the motor
